Hi Eileen, Hi Eileen, I am so sorry for the loss of your Aunt, I know she meant a lot to you, as you have meant a lot to her. Take heart that the person who took such good care of you, you certainly gave back all the love and care that she needed. I know she will be greatly missed, and the time you both spent together will be a difficult transition for you. With your strength and resilience I am sure you will bounce back as you always do. Love Ya My Condolences: Diane
