Judy, We were shocked to hear that Joe has passed away. We've enjoyed having you and Joe as our great friends and ex-neighbors. We all ran into each other in the house hunting trips during the summer of 1999; and amazingly, we finally lived across each other on the same street. We remember Joe as a generous man with great sense of humor and helping the neighbors. In the blizzard of December 2006, Joe both used the snow blower and shovel to clear the snow out of the neighbors' walkways for several days. He was happy to care for our community. Everyone all missed both of you. Joe gave me that snow blower before he moved back to NH. I've been trying to do what he did in memory of a great friend. We miss you, rest in peace, Joe. We wish Judy well and be proud of Joe.

Judy, I am sorry to hear about Joe's passing. I first met Joe at the YMCA in Lafayette, CO. Joe and I had many great intellectual conversations during our workouts - the topics ranged from sports (of which Joe was extremely knowledgeable) to politics to religion to books. I also attended many football and basketball games with Joe at the University of Colorado. I'm happy I was able to introduce Joe to the Lee Child series of books - I hope you and Joe enjoyed them. Despite our age difference, I considered Joe a very good friend. He will be greatly missed. Sincerely, Scott Hudson

I always considered Joe one of my best friends despite the infrequent opportunities to visit. He could make everyone around him feel at home and welcomed. We will miss him. I am so sorry for your loss.

I'll always remember Joe as a great teammate and fierce sports competitor. He was the man we always gave the ball to when we needed to score. My heartfelt condolences go to you and your family . sincerely, Tut

Dear Judy, Bob Leger told me about Joe's death. My thoughts and prayers are with you and your family. I remember when Joe first moved to Lowell St in Methuen. My first memory of him was when he got some of us to help him sell programs at the Central Catholic football games before he transferred to Tenney High. He was certainly the heart and soul of our great Tenney High basketball teams in 1955 and 1956.

I went to St. Rita's school, Joe was older than I was, he was my idol. Joe not only deserved to be in the hall of fame as a basketball player, but as a wonderful family man. I stood on the sidelines hoping to get picked to play on his team. He will be sadly missed and it was a pleasure to know him! God Bless him! Sincerely, Joe Carter

Judy, Over the years my mother and the Aunts have shared many wonderful stories of Joe as a little boy with us. He gave my mother such joy as a child and he always held a special place in her heart. All the calls and the postcards to the Aunts while you lived in Colorado made their day. Joe always reminded me of my Uncle Lou, he could always tell a story. His love of teaching was shown when I asked him to send postcards to a child he did not know as a school project. I will miss him dearly. I know that it is a such a difficult time but I hope that you find comfort in how much he meant to all us. My prayers and thought are with you and your family. Love, Meg

I want to extend to the family my deepest sympathy. As my freshman basketball coach during the 1959-60 season at the old Tenney High School in Methuen, he was outstanding. Under his excellent coaching, our team made the frosh state tournament. I also had the privilege to be on the selections committee who elected him to the Methuen High School Athletic Hall of Fame. Without question, he was one of our greatest basketball players. Again, I want to express my sincere condolences. Warm regards, Arthur Nicholson
