Ever gone to a Menzie get together and wondered where all the laughter was coming from?? It was Jack. Always surrounded by a group, waiting for the next story.. I knew him as gentle, loving, FUNNY and always ready to have a good time. Boy did he ever love his kids and grandkids.. I hope after 5 decades of marriage that my husband still looks at me with loving eyes like that!! You're with JD now Jack.. run and play.. we will all see you again someday.. Deb

Kay--I was very sorry to hear through the neighborhood newsletter that Jack had died. We are out in CA now and were unable to attend the service. We hope that your have the support of your children and family in this difficult time. You had a lot of wonderful years together, and in many ways your are luckier than a lot of people who have lost loved ones at an early age. But, it's never easy and I am sure you will miss him greatly. Love, Ann
