To Susan's family I send my deepest thoughts and condolences. Susan was a great person who treated everybody with kindness and made others smile. As a childhood friend of her son Elvis and Husband Don she always cared for me as if I was one of her own. I wish I could have seen her before she left and I pray her family can move on.

To all of Susan's loved ones..She has left us all too soon. Susan was a wonderful, caring and giving person. I remember all of the good times we had many years ago. I also remember how self sacrificing Susan was, especially with her animals.. Donny, remember that great dane (the brindle, her name escapes me)?? She use to almost attack anyone who came near her and Susan would calm her down. To Donny, and family my heart and thoughts are with you. Susan was and is a beautiful, heartwarming and caring soul who will continue to put a smile on my face each time I think of her during those days past.

I'm so sorry to hear about Susan's death. As cousins we grew up together and haven't seen each other for quite some time. I met her son Elvis once when he was a little boy. My sympathy goes to the whole family. Had I known just a day sooner I would have made the services. I'm so sorry for your loss.
