I am very sorry to hear of your loss. I would like to offer comfort from the Bible. Revelation 21: 3,4 speaks of a time in the near future when death will be no more. That will be a happy time. Then John 5: 28, 29 speaks of a time when our dead love ones will be resurrected. Yes, Almighty God Jehovah not only has the power, but also the desire to resurrect the dead to life again. Please take care all of you. With love Ivy.

Dear Family and Friends of Fernando. I am so very sorry for your loss please accept my sincere condolences. Something that I have found to be of great comfort is what the Bible says at John 5:28,29 And Revelation 21:4. In these verses we see that soon God is going to bring about a resurrection of our loved ones and that he is going to do away with all causes we have for suffering so that we can be happy. Until these promises are fulfilled please take comfort in the love of family and friends and cherish all the fond memories. Again I am so sorry for your loss. Rebekah. Rebekah.
