To: Rita and Family, I will always refer to you and Charlie as my Guardian Angels. Both of you cared for my needs over a long period of time during my illness. Charles served his Country with great distinction and did it for the Love of the land of his birth. Tonight my NYPD 10-13 Club will meet in Florida and remember Charlie as a friend and Warrior. Recent surgery stops me from being with you.

Hello Carol Ann, I'm so very sorry for your loss. We lost my father last year, so I feel your pain. It's not easy to let go of your parent. May our Lord welcome your father home with gentle arms and warm love. May HE watch over you and your family and keep you safe. May you and your family bond more closely as you share your sorrow, and lift each other when you remember your father's love for his family, and how he made you all laugh and feel safe. God bless you and your loved ones.
