I'm so sad to see that Dee has passed away. I remember her at the dances several years ago dancing with Leo in the corner all night long. And their Halloween costumes. They were always smiling and truly enjoying each others company. She will be missed by many friends she had there.. Peace Eddie

To the Carney Family and Dee's brother and wife we lost a special lady with a great sense of humor. She was alot of fun, enjoyed dancing with her tsl partner Leo. Enjoyed the movies with Laura and Lorraine. And loved going out to eat. We worked together at the HFH on the night shift on Pedi. We enjoyed rides to the beach. She was always thinking of her boys and their families. Her grand children were special. I remember especially when she took care of me when I broke my leg and for 13 weeks was unable to do any weight bearing on my leg. She cooked and cleaned and pushed me in my wheelchair. What and angel of mercy she was .Peace be with you Dee you deserve it. RIP Love and hugs your friend Lorraine

Billy, Tom, Shawn and Kevin: I am so sorry for your loss of your Mom. I loved her so much. She and I got along so much we enjoyed everything we did together, dance, go out to eat, watch tv, go on many trips, the beach, movies, cards and so much more. Your mom was a great person, she will be missed. She is now in heaven with your father Bill. She is no longer suffering and is at peace.
