Dear Casey family, I do not know you ,but I wanted to say how brave you were to write in Sean's obituary that he died from his addiction. Sean was certainly as sick with his addiction as he would have been from any other illness. I have two grown daughters who are recovering from their addictions. Today they are good, I pray they stay that way. My heart goes out to you for the pain you have known and know now. God Bless Sean and give him the peace he could not find on earth. My deepest sympathy to you ..Maureen Sharrock
