Dear Family, I would like to send my condolences and let you know you are all in our prayers for serenity and peace of heart as you heal. WE loved Charlie so much he was everyone's big brother, confidant, friend and Uncle to all our kids in the group. He was always there when you needed to talk or just hang out. He will be missed, but Never forgotten. Charlie loved this poem when I read it to him, right after my Grampy past, he thought it was beautiful. It gave me comfort and I hope it does the same for you. I?M FREE Don?t grieve for me, for now I?m free I?m following the path God laid for me I took his hand when I heard Him call I turned my back and left it all. I could not stay another day to laugh, To love, to work, to play. Tasks left Undone must stay that way. I found that place at the close of the day. If my parting has left a void Then fill it with remembered joy. A friendship shared, a laugh, a kiss. Ah yes, these things I too, will miss. Be not burdened with times of sorrow. I wish you the sunshine of tomorrow. My life?s been full, I savored much. Good friends, good times, a loved one?s Touch. Perhaps my time seemed all too brief; Don?t lengthen it now with undue grief. Lift up your heart and share with me God wanted me now, He set me free. God Bless You All...
