I worked in the building where Tom lived, and he would always come down to the front desk to chat with me just about anything! I never really had a grandfather and for the brief time I encountered Tom he was like a grandfather to me. I miss him dearly and will always remember him as a great friend. RIP my friend Tom.

I was very sorry to hear about Tom's passing. I worked with him in the 1980's and 90's, and we always had a great time talking about politics and sports, especially about the Red Sox and Patriots. He was a great guy, always very friendly, always had something interesting to say, and I'll never forget him. God bless you Tom.
