To the Augusta Family, Words cannot express how saddened I was to hear of David's passing. I had the pleasure of working with David in 8th grade. David was the kind of student that made you want to come to work everyday. He had a great sense of humor and always found ways to make me laugh. He would always share special moments about his family, he was so proud of his dad and always said he wanted to be just like him. I saw David at the high school at the end of the school year, of course he had that big smile on his face. I'm so glad I got to talk to him. I will never forget him. To the Augusta Family ? I had the pleasure of umpiring with David at Cooperstown a few weeks ago. He was in my "crew". I was very saddened to hear about his passing. Not only did we umpire together, we would routinely join other umpires at dinner after the days games were completed. He was a respectful, funny, easy going young man, and a good umpire.
