Our prayers are for family and friends. I still can not believe he won't be there, smiling, when we come in. He is primarily responsible that I own a Harley to begin with. What a heavy hitter. He is missed by many. We were amongst the over 100 riders celebrating his memory. God bless.

I have so many fond memories of Stevie and Matty J growing up together. Stevie spent a lot of time at our house and Matt at yours. He was a part of our family. I haven't seen him in 8.5 years but that doesn't make this any less sad. He will be greatly missed and I will always cherish the memories I have of him.
