Dear Bob, I know how close you were to your Dad. The most positive thought is that you were so fortunate to have him in your life for such a long time. What a fulfilling and interesting life that he had. You and Karen have been so devoted to your folks. It must be satisfying to know that you did everything possible to make his last years comfortable and secure for him. Ned

Our thoughts and prayers are with you during this time. Your Mom & Dad had a fun filled life, full of adventure. Just a short time ago your Mom, Dad and I talked about all their traveling and laughed so hard about Aunt Kitty on the camel and "showing us the ropes" when they took us to Mexico. I'll never forget their kindness and open door policy. Sadness takes over now but in time they will be remembered with a smile and a chuckle. Love and peace to you all, Karen & Lloyd
