I'm sorry that Paula was never able to reconnect to her first 2 grandsons Shawn Patrick Sullivan & Matthew Craig Sullivan. She would have been proud to know they have grown up to be good men. Shawn is an Army Veteran & Matthew is a Marine. She actually had 9 grandchildren, if Matthew & Shawn are added to the 7. I met Paula back in 1991 as her daughter-in-law. I loved her independence and admired her as a mother and grandmother.

I am so very sorry to hear of Paula's passing! I use to work with Paula at Vicor corp. I have to tell ya this woman was awesome! What a great person to have known in my life, I use to see her go out side at work in snow storms to clean her car off, and I would have none of that, this is how I met Paula. I would sneek out and clean her car off before she could and she would yell at me HA HA HA. Paula reminded me of my Mom so much, Paula will truly be missed by me, And I am so very sorry for your loss! Love ya always Paula. Jimmy
