Crystal, it is going to be 3 years since we have lost you. I think about you everyday especially when i look at Gaby. People says when a person leaves this earth and becomes an angel i new life is born. I really believ you gave me gaby. You always knew i wanted a little girl and rite after you past away and left us i found out i was pregnant just a few weks later. I thankyou very much everyday for that gift. As you know i took alot of your pajama pants that your mom was letting go of. I also got your white coat. I will cherish them forever. I chose to accept your porceline dolls that you usedt collect and i passed them on to Gaby. They are safe. Gaby sleeps wih your precious moments blanket in her crib with her everynight. Words can not express how much i missyou everyday and how much i love you. I wish i could just see you one more time or even hear your voice. I know your watching over us and i think about that often. I know i have my angel with me at all time. I love you baby girl. til we meet again.

A Message From Heaven Perhaps you aren't ready yet to have to say good-bye... Perhaps you've thought of things you wish you'd said--well, so have I. For one thing, I'd have told you not to worry about me... I'm with the Lord in Heaven now--- you knew that's where I'd be. I'm sorry that you're feeling sad, for I'm so happy now... I've asked the Lord to ease the hurt and comfort you somehow. It's hard in the beginning, but I know you'll make it through... I hope it helps for you to know I'll be waiting here for you.
