Donna, I'm unable to attend the services for your Mother. I had knee surgery Tuesday & am not getting around very well yet. But I do want you to know that I'm thinking of you & send my deepest sympathy to you and your family. Unfortunately, my mother won't be able to attend either, due to health problems, but wants to send her sympathy to you all. Your Mother was such a nice lady and we are so sorry that she's gone.
