Nancy Sweetlump, You are ETERNALLY missed and I think of you EVERY SINGLE DAY and am acutely missing you, and this is how it will be for the rest of my life, until we meet again. Enjoy Heaven; you utterly deserve it after a lifetime of sweetness and goodness toward everyone. I miss your lilting laugh and mirth and appreciation of everything. The Nursing profession and humankind lost an Angel, far too soon. Your lovely personal example continues to light the way for all of us who knew your excellent character. Thinking of my Dollfaced Nancy and missing you forever and always, Sweetness, and I'll be seeing you sometime. Remember "pumpkin butter gooey cake?"
