My mother, Dorothy Sousa and I would like to send to you our thoughts and prayers at this time. We were saddened to hear of your loss. We enjoyed our chance meetings at the Weathervane restaurant. Lidia was a wonderful, caring and loving person. I am glad that I knew her and I am a much better person for it. I know she's in heaven with her brother and sister. How wonderful is that. Be strong, enjoy all your loving memories and remember, the people we really love are not gone. They always have a home in our hearts.
