To Jane, James, and Patricia Bradley, I am writing from Costa Rica to let you all know you are in my heart, my thoughts and my prayers. Mary was a great lady. After all, who else ever mowed the lawn in pumps? Seriously, she was the last of a generation of people we all loved and were oh so lucky to have known. Godspeed, be well, and I will see you all in the spring. Michael Cook

Pat, Jane, and James: I am so sorry to hear about your mother's passing. Mums and Pops were my second parents, always offering love and support to my family and me. I will forever be grateful for the second home they generously opened to me. And I will always think of your mother when I eat my tuna sandwich on a hamburger bun! My thoughts and prayers are with each of you. Much love, Sara
