Dear Mrs. Lundgren and the entire Lundgren extended family, Please know that all of us at Goodhue & Hawkins Navy Yard in Wolfeboro, NH have the fondest memories of Don and indeed of the entire family. I first met Don and the family in 1984 when he bought a sailboat from me when I first started in business. Over the years I came to realize that the consummate gentleman who first came into my office was every bit the kind and thoughtful man he had at first appeared to be. There are not too many people that fall into that category. I cherish the many interactions we shared together and only regret that we had not sailed more often together. I know that he will be missed by all of you as he will be by us in Wolfeboro. Every once in a while I will look back and remember what a truly gracious man Don Lundgren was and only hope that I could ever attain even half of the class he demonstrated every day we knew him. Thank you for being a small part of my life.

So sorry I could not attend the service to express my sympathies to the family in person. I will always cherish the wonderful times that our families shared growing up. Remembering our parents as Fred and Wilma and their best friends Bernie and Betty still brings a smile.

Richard, What a gentleman! He was the consummate professional whose caring for others made him extraordinary in his profession. Both he and your Mom parented well, as evidenced by the three loving children they raised. My Mom, (PHS Class of 1939), always spoke with the highest regard of praise and respect for your Dad. As you related to me, he led an enjoyable life. Now you will find his legacy about you in many ways, keeping him close to you. I know you will cherish those remembrances dearly. My travels keep me away from today's service, but I wanted to take a moment at the time of his service to pass along my warmest thoughts to you and your family as you celebrate his life. Anna and I will be extending to you and Nancy a dinner invite at "Minwood on the Hill" to further celebrate your Dad's glorious life and contributions! Our Warmest, Anna and Steve Gesing
