to the family of Carl R. Schiavone, I'm sorry to say that i missed the notice of Carl's passing in the paper, and would have wanted to pay my respects to such a great man and a fine family. The memories of tower hill run long and deep and to this day have deep meaning to me, I recently saw members of the family at a St. Augustine's reunion and shared great memories and i run into the Galvin group on a regular basis. And on a lighter note i am curios to know if terry's hair is still perfect? -Neil Smith, Academy Tree Service, 121 West Street Methuen Mass.

To all my dear friends that I grew up with on Pearl Street , I offer my deepest sympathies. The Schiavone family has always had a special place of fondness in my heart. Many wonderful memories with Patrick, Kay, Annie, Terry, Eileen, and Carl Michael. I especially remember my dear friend Carl Schiavone who was like a surrogate dad to me. He always said it like it was and always gave me sound advice. I loved his warm smiles and hugs. I will miss him. Who is going to take over his clothespin magnet business???(Smile). Love to you all, sorry I could not be with you.

Dear Terry and Family: I am so very sorry for your loss. I knew your Dad from bowling. His kindness and infectious smile are two qualities that have touched me. We used to talk quite a bit. He shared with me two writings that I have saved throughout the years. One is something he wrote on a "Lawrence Firefighters credit union "post it"! He called it, "My Prayer" and it is as follows: "It is my joy in life to find At every turning point of the road. The strong arm of a comrade kind To help me onward with my load. And since I have no gold to give, And love alone must make amends My only prayer is, while I live, God, make me worthy of my friends." The other piece is something your dad told me "struck him as a great code of living", Abou Ben Adhem- Abou Ben Adhem (may his tribe increase!) Awoke one night from a deep dream of peace, And saw, within the moonlight in his room, Making it rich, and like a lily in bloom, An angel writing in a book of gold:- Exceeding peace had made Ben Adhem bold, And to the Presence in the room he said "What writest thou?"-The vision raised its head, And with a look made of all sweet accord, Answered "The names of those who love the Lord." "And is mine one?" said Abou. "Nay, not so," Replied the angel. Abou spoke more low, But cheerly still, and said "I pray thee, then, Write me as one that loves his fellow men." The angel wrote, and vanished. The next night It came again with a great wakening light, And showed the names whom love of God had blessed, And lo! Ben Adhem's name led all the rest." Terry, you may remember Deborah (Ruggieri) Hammar, you knew Deb and we attended Chamber meetings together. Deb passed on in 1999. I'm sorry I could'nt attend your Dad's celebration as I have a commitment in Marlborough today for 11:00. My prayers and thoughts are with you. -Mark Hammar
