Dear Warren, I know how hard this is for you. Hopefully you know what a good Father you were to Steven and continue to be as a Grandfather to Alexa. Anything I say has been said. You and I are on the same page when it comes to what the meaning of life is all about. I am thinking about you every minute about this difficult journey but I know you are strong and will come through it in your Warren way. Peace, Judith

Dear Warren, Josephine and family. Frank and I were so sorry to read of Stephen's death. We're sorry we won't be able to attend the wake as we're in FL for the winter. We didn't know Stephen personally, but we're all Kelley's decended from Frank and Mary (Coffey) Kelley and that in itself makes him special to us as he was to you. May God bless you all at this difficult time and in the days ahead. Prayerfully, Frank and Louise
