Pat and I were young mothers together and very good friends and neighbors. I will never forget driving around in her Station Wagon full of our little kids going to Zayres , Kings, Sunray Bakery and always stopping at Mitch's Gas station before heading home. I still have the large pinecone wreath we made together after days and days of looking under trees for pinecones. That was more than 40 years ago. She was a patient, understanding, funny, wonderful friend. I will never forget her. I'm so sorry I didn't get the chance to meet up with her again. My deepest sympathy to all Sharon

I am so sorry to hear of Pat's passing. We went to High School together and we had a lot of fun copying each others homework when one of us didn't have a clue how to do the assignment. We would run into each other around town or at the hairdressers and we would laugh and rehash the old days. She was a wonderful person. I will always miss seeing her around Methuen and the laughs that we shared.
