I worked with John for a couple of years at "AMI" in Lowell, MA. He was my supervisor in the Quality Control Department. He was a great boss. Every Monday he would come into our work station and yell "Happy Monday!" He never missed a Monday saying that and he was always cheerful. He was a joy to work with. I am so sorry for your loss. You mention his great sense of humor. That he showed at work as well. He could guide his employee's with humor and never would scowl. I am so sorry for your loss. My prayers to all of his family and loved ones. God Bless, Elizabeth Johnson-Arsenault
