To the large family,i send my deepest sorrow for your loss . But then again she is sitting with her husband right now and enjoying looking down on what she has done in life and that be all of you. Nothing can be more peaceful for her then to watch you all move on and remember what you lost. Some day you'll understand her sweet smiles and why she is happy right now . Till then enjoy life and god bless you all . Bella i hope you know that she is pain free and happy now Love you Dick
