Dearest Jane, Dad Emery, Doug and families, Our thoughts and prayers are certainly with you all at this time. Bea was an extremely giving and caring person, and I was fortunate to know her. Her love will continue to shine in your hearts forever as you continue in the way in which she lived and loved...the way the Lord leads us all thru life's journey, until we reunite face to face with Him and our loved ones. She is certainly rejoicing there in heaven now! Knowing that this is the most difficult passage we must endure, prayers and love continue for you, dear friends, Lisa and Grafton
