Dear Mom, Thank you for all of the wonderful years we shared with you here on earth. We could never replace the time spent with you in the past 12 years alone. The trips to the beach, the lottery tickets, Grassfields, the 99, the long walks, the dancing and singing, the family parties, painting the apartment and the love and laughter we shared. Thank you for hanging in there for us. We wish you peace and love always. Thank you for the pennies...and the dollar! You work quick. Love, Joyce and Wendy
