My Mom, Eunice, was a dear friend of your Mom and your Dad. With her "Club", the Lawrence ladies visited every summer to their home at Biddeford Pool. She also knew Rita, also. I had planned on taking my Mom to the wake last night. However, she has been ill the past few days and at 93, her health is fragile. Please accept her condolences. (I also, visited your parents at Biddeford Pool when we vacationed there when our children were little.) Judy Forrest
