I am going to miss Mary so much. I think of her every day. She was the sunshine in our building. She welcomed me with open arms 6 years ago when I moved in. We looked out for each other. My grandsons loved running down the hall and banging on her door. I think they knocked so loud , that it might of startled her. But she knew on the other side of the door, there were some happy faces to see her! What am I going to do without her! I am so very sad, but now I know there is another guardian angel looking over me! Mary , I love you and will miss u so so so much! Love Susann

To the Family of Mary, please accept our deepest sympathy. The world is truly at a loss for loosing such a dear, sweet person. My Aunt Dolly Raimando (Mansor) from Florida was a lifelong friend of Mary's and I have known her my entire life. My aunt was informed of her passing on friday and wanted to express her condolences to her family. She was just here in September and the two of them attended their 50th High School Reunion and they kept in touch over many years talking every other week. She will be sadly. missed.
