I am not sure that when I was typing the list to whom I sent condolences I included George's beloved wife, Ann! (I am a bad typist.) I will never forget their happy wedding day. May Ann remember that day and all the other happy days.

I knew George's father as the nicest influence of my childhood. His son George, my oldest first cousin, grew up to be just as nice. May his siblings Ellis, Bill, and Deane and his children and grandchildren soon remember more of the happy days than the sad ones.
