Dennis P. Valliere posted:

It is with great sadness that I learned of Clarence's death. My sister Deb and I decided to respond to Muriel and Clarences condolence message for our mother June's passing last May in person so we visited with both of them in July. It was a visit we'll always remember ending with Clarence and Muriel taking us to lunch at one of the restaurants onsite where they lived. Muriel and family, our thoughts and prayers are with you all. dennis
