Please accept my/our condolences, losing a loved one is never easy and we are here to offer a lot of love and support through this difficult time. Our prayers and thoughts are with you and your family during this difficult time. There are no words to describe how sorry I am for your loss. Justine was an exceptional human being she was loving, caring, giving, generous and extremely intelligent and fun to be with. I will always remember her as a special person in my life. She was my mother-in-law, I was married to Mark Fitzgerald her son and we have a son called Sean who lives in Boston and was very close to Justine his grandmother. She came to Ecuador in 2008 with Sean to visit me and my family we all loved her very much and wish peace for her soul in heaven next to god. We will always remember you dear Justine. Love Lorena Duenas Joniaux and family in Ecuador South America.

I just read of Justine's passing. Our prayers are with the family. Justine was flat out one of the best educators and it was a privilege to have known her. I spent a lot of time in the Dean's office at Merrimack speaking with Justine. She contributed to my life and helped me tremendously. She taught me to say room 612 in Chinese which I still remember today so I could get by front desk. She was a great lady and she'll be missed. Thank you for all your time in teaching and guiding so many people to achieve all they could be, including me. Be Blessed.

Dear Justine, I still remember the first time I met you in the network lab of Harbin Institute of Technology(HIT) in 1998. Then in 1999, I graduated from HIT and both of us went to Beijing. I worked for Lenovo Group and you taught in Beijing University of Posts and Telecommunications(BUPT). And then we met in many cities you ever taught: Tianjin, Shantou ... When you stayed at my apartment you said that you hope one day we can meet in US. In Oct, 2009, I went on a business trip and I did go to see you in US! You drove me to a restaurant for lunch and then drove me to University of California, Berkeley. In May, 2011, I saw you again in Tom's apartment. What a good time we had! You love China and Chinese students, and all Chinese students love you. You worked hard and helped us in English learning. You're the best teacher in the world! And you're just like my mother! I love you! May you rest in peace in heaven!!! Best regards, Ivan(Hu Yingwei) of Beijing, China
