Memories In The Heart - Unknown
Feel no guilt in laughter, she knows how much you care
Feel no sorrow in a smile that she's not here to share
You cannot grieve forever, she would not want you to
She'd hope that you can carry on, the way you always do
So talk about the good times and the ways you showed you cared
The days you spent together, all the happiness you shared
Let memories surround you. A word someone may say
Will suddenly recapture a time, an hour, a day
That brings her back as clearly as though she were still here
And fills you with the feelings that she is always near
For if you keep these moments, you will never be apart
And she will live forever locked safe within your heart

Peggy was a bright light each morning at Atrium. She brought a wonderful attitude and enthusiam to the job making people feel at home and welcomed into the Atrium Workplace. Every day with her managing the front desk and providing the first impression visitors received upon walking in the front door was a great day! I enjoyed chatting it up with her and her love of life and faith driven attitude was truly remarkable. She brought a smile to so many! My prayers and condolences to all her family.

I am still in disbelief that Peggie is gone. We had all met her and her sister for lunch in September. She was the happiest I've ever seen her and she spoke of her grandkids (and kids)and how she was going to be visiting and spending time with them all. She was so happy and excited. To her family, thank you for sharing her with us - she was a lovely woman and she will be sorely missed.
