All I have are wonderful memories of Bob. We played tennis for many years. When I was his partner and made an error Bob didn't bite his tongue and it was hysterical! Rest in peace my dear friend.

Sending our family condolences on your loss. I am the son of Lorraine (McKenzie) Hollins. I remember seeing Robert when his father (Marty), way back in the sixties, went to visit. I helped Marty with his follow spotlight for dance recitals. He needed help carrying them. All I can say to your family is his memory will always be part of your lives.
