Dear Lloyd, Chris, Laura and the entire Williams Family, Words alone cannot express our sympathy on the untimely death of your beloved father, brother and grandfather. To say that his time with us was far too short is an understatement. The reality is that all who loved and knew him will sorely miss him. We know first hand how profound a loss it is when you realize that he will no longer be there for all the events in your life. We can tell you though that the very best way to mark his passing is by filling your mind with all of the wonderful memories you have of happier times. We hope that you and your family will find peace and comfort in knowing that his suffering is over. If there is anything we can do please let us know. Lloyd, Erica, Christopher and Sarah-Beth Benjamin
