Dearest Barbara, Jackie and family, We are so very sorry to hear of your mother's passing and we want you to know you are all in our thoughts and prayers. Our thoughts and prayers are with you during this time of sorrow. Although it's difficult today to see beyond the sadness. May looking back in memory help comfort you. Although we only met her a few times, she was a lovely woman who loved all of her children and grandchildren dearly. You children are a reflection of your mom in the way you treat people with respect and empathy. Not to mention the way you make each person feel loved. We are so sorry for your loss. Love to all, Milton and Kathy Moore
