Mom.. I still cannot believe that you are gone. I can't believe that you are never going to be able to drive me crazy!! I will truly miss it. I will miss your laugh. I hear your laugh when I laugh myself. All the good in you is in me, and I will take that with me. I am so happy that you are rest, and at peace, and can look down at me and Jack. I will tell him about his nana and papa, and that they are in heaven looking down. I love you..

Dear Sandra: You will be in my heart forever. We were very close growing up and we had so much fun. I'm sorry that we went our separate ways once we went to high school. We had other interests. However, I will always have good memories of our "growing up days" that I will always treasure. The Lord says: Be not afraid, I go before you always, come follow me, and I will give you rest! I Love You.
