Sheila, I was so sorry to hear about your mother. I never saw her without a smile on her face. She always asked about my family whenever I saw her. I didn't read the Tribune until the day of the funeral. Otherwise, I would have gone to the Wake. I have no way of getting in touch with you so I appreciate at least being able to do it this way. You're in my prayers. Nancy

Dear Mark and family, Last week, as I scanned the obituaries, I saw your mother's smiling face beaming out at me. I said myself, "Who is this? I know this woman." And, when I saw her name, I knew that it was Marion from the nursing home. My brother had the exact same reaction. It is sad to see your mother gone, but I do believe that she is at peace and with Our Lord in heaven. I wanted to offer my condolences to you and your family, because you visited your mom every day, just like my family and I did. It was a joy to see you and your mom, just as it was a joy to see mine. So, may God bless you and give you comfort in this difficult time, and may you experience His Love and Peace. Sincerely, Don Levesque and family

Dear Sheila, Mark and Billy, Please accept our deepest condolences on the passing of your dear, sweet mother. The last time we visited was when she came to the General to see my mother just before she passed. How thoughtful she was to offer comfort and consolation. May you all find strength in the memories of your mother's life as you adjust to the future in her absence. We will remember your mother in our Sunday mass. Also, we will be thinking of you as you move through these most trying days. With sympathy, Karen and Bob Maloney
