I am so sorry to hear about Bev. She was one of the first people who made me feel welcome and one of the LGH family 30 years ago. She was so funny and wonderful to work with. I will remember our evening tonics and dance classes. She was not only nice to me, but was welcoming to my family. My daughter married her nephew, how wonderful to have Bev as an aunt. You will be missed and loved by many. Janine and Ken

I grew up around the corner from Bev and her family. We all went to the Leahy and Oliver Schools together. 19 years ago my wife was diagnosed with breast cancer and sent to LGH for chemo. What a comfort it was to see Bev after all those years. She was a true professional and provided mental comfort for us both. We are so sorry to hear this sad news. May she rest in peace.
