I'm so sorry to hear about Judy. We shared many a story during our lunches together each day at Schneider. She was so proud of her daughters. The last time I saw her we had dinner at the Texas Roadhouse with another of our group from Schneider, Keith Wilk, and we laughed because we were trying to catch up since we'd last seen each other and we couldn't hear anything due to the noise in the restaurant! You are all in my thoughts and prayers. Liz Lanigan

Rebecca and Regan, You are both in my thoughts and prayers. I enjoyed working for your mom at Schneider, she always held a special place in my heart. I saw her two years ago when I had the "girls" over for a lunch. If there is anything you need or I can do, please do not hesitate to contact me. Love, Kathy (the Poker Lady)
