Sharon and family, my thoughts and prayers are with you all. Your mom was a wonderful person. I remember back in grade school when I used to stay over your house she always made me feel comfortable and her and your dad always cracked me up. They were quite a team. Your dad must surely be at a loss. Please extend my condolences to him.

Dear family and friends, Through daughter Kathleen, I learned what a wonderful person Catherine was. A responsible and loving wife and mother, a caring grandparent, a terrific sister, and so much more to extended family & friends. She is someone who looked out on the interest of others even though she herself suffered in her latter years. The grief and loss you will feel is inevitable, however, she is safe in God's memory. As our Lord's own words come to mind in John 5:25 "Most truly I say to you, the Hour is coming and it is now, the dead will hear the voice of the Son of God and those that have given heed will LIVE". May you find comfort in that promise and know that your friends will also be here to comfort you in the future. All our love, Leah & Ryan Breen Clohesy

My mother, Dora (Sarcione) Uliano and Catherine were high school classmates who remained friends even after graduation from St. Mary's. Not too long ago, they got a chance to speak to each other on the phone. On behalf of my Mother, Dora, I wish to express our family's deepest sympathy for the loss of your dear wife and mother, Catherine. She has a special place in the hearts of the Uliano family.
