Michael John Facella

FEB 6, 1964 - AUG 14, 2017

Michael John Facella, 53, of West Boxford, Massachusetts passed away on Monday, August, 14, 2017.

He was born on February 6th, 1964 in Methuen, the son of the late Samuel S. Facella and Joan C. Facella. Michael was raised in West Boxford, MA. where he attended public schools.

Discovering his mechanical talents at a very early age, he pursued a life working with his hands. There was little he couldn't repair or build right from scratch. As a union iron worker in Boston for many years, he left his mark on many public and private projects, including the Lenny Zakim Bridge. More recently he managed the family's farm stand in West Boxford.

Family members include his son Agustin Facella, his Brothers Joseph M. Facella of Boston, MA, Samuel M. Facella, Jr. and his wife Christine Facella of Methuen, MA. his sister Christina M. Cipro and her husband Brian Cipro of Haverhill, MA. As well as his nieces Ava J. Facella and Ally K. Facella.

He was also survived by his dog Winston.

Brother of the late Stephen M. Facella

Michael loved fishing in the local ponds and skiing in NH during winter months. His meticulous collections of model trains, mid-century furniture and motorized bikes are all testaments to his appreciation for functional design.

His real passion, however, was working in his hobby shop constantly tinkering to improve something for himself or others– constantly striving for perfection in an imperfect world.

His funeral mass will be celebrated on Monday, August 21st, 2017 at 11:00 a.m. in Saint Patrick's Church, 114 Center Street, Groveland, Massachusetts. Burial will follow in the Mt. Vernon Cemetery, Mt. Vernon Road, Boxford, Massachusetts. Arrangements are under the direction of

Miss you so much everyday always. I think people say it gets easier just to make you feel better. We do "go on" but carry an enormous heaviness with us each step of the way. You will forever hold a piece of my heart, and I'm honored to be able to have shared that with you. You taught me more than you will ever know — and I'm stronger because of you. ❤️👤❤️

Michael, We met at Good Shepherd Church during the holidays of 2014 I helped you find a mutual friend of ours, Donald Doucette. It started a friendship. Once at another church basement, you paid me a great compliment about my people skills. God gave you abilities with your hands. He gave me the gift of greeting people. You saw this in me. And we greeted each other often over the last couple years. A piece of Anvil farm rests in a rock wall along a driveway here on Main Street Haverhill. You invited my friend and I to gather stones for this wall on a hot summer day. The three of us enjoyed fellowship on the farm that day. I will miss seeing you at our regular meeting places in Topsfield, Haverhill, and Groveland. Wherever we gathered, God was always present. You were a good man Michael. God rest your soul.
