I am so very sorry for your loss. Debbie was my co-worker at DTA. She sat next to me at the Salem DTA and I have great memories of her. She always found a way to give me advice, and made me laugh even when I was feeling down. Her laughter was so contagious. She will truly be missed.Mayra Torres

My baby sister will be forever in my heart. From a very young age she always knew what she wanted out of life and now she has moved to the other side - Peace is every step. Her shinning sun in my heart. Each flower I see smiles with me. How colorful, how fresh all that grows. How cool the wind blows. Peace is every step. She turns our endless path to joy. I love you sis and will miss you dearly.....
