I'm still in shock after hearing the news of Chris's passing. She was my best friend. In first grade at Saint Patrick's she came over to me even though I didn't know English and we were best friends from that day forward until the last day of high school. We did everything together. I basically grew up in her house. Mrs. Gianni was my second mother and what a wonderful mother she was. I remember on Dorchester St. her Nana on the second floor giving us money to go get Riley's Roast Beef. As kids we played softball (she was always better than me) walking to church and we worked our first jobs at the Showcase Cinema and Canobie Lake. She was my ride everywhere in her stylish Pinto. Christine had the biggest heart and was such a giving and caring person. I will always cherish all the memories we made together. I love you Chrys!

I don't have the words to say how sad I am with the news of Chris's passing and more over for Mrs. Gianni, Elaine and family. Back in high school my sister Kelly, Carmen and I would drive around with Chris in the Monte Carlo. Chris never let us turn on the A/C or heat because she thought it would waste too much gas. (lol) WE laughed the majority of our high school years. She was a wonderful friend. My heart goes out to her daughters and everyone that she loved. God bless and much love to all.

Our beautiful Mothers built a friendship in us that would withstand the test of time! We were trusted classmates, adventurous Girl Scouts, dedicated athletes, but most of all loyal friends! The last words Christine wrote to me were, "I truly cherish our friendship even though it has changed over the years there is not a single thing that I wouldn't do for you..." Her words really do capture what a treasured, heartfelt friend she was. She loved with all her heart... Thank you Mrs. Gianni for sharing the gift of your beautiful daughter with me! Rest easy, my friend!
