To all my cousins, I want to express how much your Mom meant to me both growing up and as an adult. She was always there for all of us and our children. In a pinch? Aunt Laurette was there lending a helping hand and with a smile. No problem she would say, it was almost as though she had no children of her own . . . she was always willing to help. I was 17 when I first met her and thought she was the most beautiful woman I had every seen; little did I realize I would get to know she was as beautiful inside as out. Now she is home with her family and all our loved ones. I am so proud to say I was and am part of the Gosselin clan. The Lord will say "Well done good and faithful servant". With love, your cousin Terry (Croteau, Bernhardt) Libby

It is with great sadness that we learned of the death of our aunt Laurette. We loved her very much. We will always remember the visits made to Lawrence, in our youth, in the company of our parents. Despite an additional workload, Aunt Laurette always greeted us with a smile. A smile of sweetness, of kindness. A replica of grandmother Alice Beaudoin. We know that Aunt Laurette was a loving, devoted and busy mother. We therefore offer to all members of your large family our sincere condolences and sympathies. Rest assured that we are with you and with Aunt Laurette in thoughts and prayers. The family of Suzanne Beaudoin and Louis Morrissette : Yves, André, Carole, Alain.

Growing up on Bowdoin street, the Gosselin home was the "go to" place for all kids in the neighborhood. Laurette was everyone's mom and she relished the role and embraced and watched over us all. The family was so welcoming and Laurette was always there to make sure everyone was comfortable. As someone wise once said "they don't make people like her anymore". Rest In Peace to a wonderful lady. Best to the family during this difficult lossBob Mercier

To my precious cousins and your extended families! Please know that I hold each of you in my heart. Aunt Laurette was a shining light among us. Whether she spoke or remained silent was irrelevant to me since her soul would shine so brightly. I think of her as someone who taught through her actions more than her words, and I think we will all miss her unconditional love and acceptance. When I grow up, I'm only 74 now, :) ...I pray to become just like her. So much love to each and every one of you, Anne Marie (Croteau) Lavigne
