Colleen, Erin, Sean and Brigid, Our sincere condolences on the passing of Joe, a big man with a big voice and even bigger presence. As a young cousin I was always curious about what the "teenager" was up to. Friends, cars, motorcycles, all great stuff! I would always tell my friends about my cousin in the Navy aboard the USS Wasp rescuing astronauts after splash downs. I have many fond memories of "camp" on Stiles Pond with Joe and his parents and our extended family. I'm glad it meant so much to him that he built your home there. Many memories, so sorry for your loss. John and Diane Carney and family
