## **Debra A. Julin**

APR 8, 1964 - SEP 10, 2020

**D**ebra Ann (Iannaccone) Julin of North Andover, formerly of Medford, passed away Thursday, September 10th after a long battle with colorectal cancer. Deb fought like the warrior that she was and was surrounded by her loving family when she passed. Debra leaves behind her husband Erik, and son Magnus. The daughter of Linda (Magaldi) Iannaccone and the late Michael Iannaccone, sister of Diane (Iannaccone) Amerault and her husband Bob, and Aunt to Rob and Amanda Amerault. Debra graduated from Medford High School in 1982, and North Adams State College in 1986, and was a Senior Adviser at DELL/EMC. Debra's whole world centered around her son Magnus, and she was an incredible mother. She enjoyed taking trips with Erik and Magnus to many places around the world and enjoyed entertaining at her home just as much. Deb was an unparalleled hostess, and anyone who had the privilege to be a guest at her house would surely attest to this. At this time services will be private, and the family appreciates everyone's support. In lieu of flowers please consider making a donation on Deb's tribute page:<http://main.acsevents.org/goto/DebraJulin> on the American Cancer Society website. Thank you.

I attended a summer class with Debra a few years back, and a few of us stayed in touch with occasional emails. Deb was so warm, positive, and generous of spirit. I think that all of us in the class benefited from having known her--personally and professionally. Although we didn't speak often, my world is a little less bright for not having her here with us. She was a real light in our group, and I think in the lives of many others. My thoughts are with all of her family and friends, and Deb thanks for being such a kind friend and classmate.

Our family sends prayers to Erik and magnus. We live 3 doors down and when Deb walked the dog(s) she was sure to wave and smile. She supported her son in all he did and demonstrated strength throughout her illness. Her spirit lives on in the neighborhood. 💜💙❤️ George Lynne Colin and Erika Khater Raleigh Tavern Lane

Erik, Magnus and family Of Deb, we are so sorry and heartbroken to hear of the loss of Deb. She was a fighter for her health and a great mother to Magnus. Her love and devotion to her family shined. We enjoyed time together at the hockey rink and celebrations with the team families. Deb was a warm person to be with and a joy to have known. I'm grateful for the memories made. My last memory of her was on the dock at the lake on a beautiful summer day, not one I'll forget. Your family are in our thoughts and prayers, God Bless Deb.

Karen and I want to send our symphonies to the Julin and Iannaccone families on the passing of Debby, a wife, mother, daughter and sister.. We got to know of the Iannaccone family during our twenty five years living in the George & Winthrop street area, they were friends of my brother, Bob and his wife Dotty. Debby's sister, Diane, married into our family. And we also want to let Diane know of our sadness to hear of Debby's passing. Our prayers for both families are sent to them during this trying time. Thinking of the Julin, Iannaccone and Amerault families at this difficult time. Debra and I were in playgroup together when Magnus and my son Cameron were infants. Our group shared a very special bond and we were so lucky to have this terrific group of women at a time when we all needed it most. Debra was a wonderful human being and fabulous hostess. We always knew we'd be in for some delicious home cooked food anytime it was her turn to host. She will be missed dearly by all who had the pleasure to know her. My most sincere sympathies. Stephanie Driscoll xoxo

Many New Years spent together will always be remembered. Memories of New England ski trips and Lake Winnepesaukee days with our boys are embedded in our minds. The great times will eventually be recollected with a smile....Sending blessings and prayers to Magnus, Erik, and the family. Colleene, Mark & Alexander.
