Sending all my thoughts and prayers. Your Mother was such a lovely person. I did not know her well, but I remember going to her home, sitting in the back yard, relaxing and chatting. It was a such good day.

Laurie Ann, Lisa, Peter, David and your families. We are so sorry to hear of your Mom's passing. She and your dad were so close to the Aboud's as were all of you! My mom and dad loved all of the family vacations and visits at our house or yours through our lives. Your mom was such a great friend to Mom after my dad's passing as well. Your mom was still beautiful and full of life and has left us all too early but the happy memories that she and your dad made will live in our hearts forever. Her reunion with your Dad and the rest of our families will be joyous! Sincerely Rob and Colleen Aboud

Adeline we will miss you forever, over the years your cousins Geri & Butch actually closer then cousins caused by our parents being siblings. We spent many a Holiday with our families together we never had much but we always had love for each other. Our parents did the very best at all times for the four of us and our Mothers worked their behinds off on preparing for the holiday. When I think back when the times were so simple in our upbringing and how happy and content we all felt in our every day lives, when you and Lucille and Geri went to the beach to stay with Zizi while Aunty Franny stayed home to work and I being the only boy was allowed 2 weeks to stay with all of you at the cottage. You and Lucille were like sisters to me and my sister, I know that there was a big crowd waiting at the gates of Heaven for you. Say hello to all of them for us and remember you will always be remembered and dearly loved by us all. Until we meet again GOD REST YOUR SOUL. Butch & Susan Parolisi and Geri Gianni
