I'm so sorry to hear of Sue's passing. I met Sue in the lobby of Paymentech - we were both starting our first day of work there. We looked at each other - & admitted we were very nervous. We ended up working in the same department & it was such a relief to be able to share our experiences both good & bad. Sue talked so fondly of her nieces and I felt as though I knew them. God bless you, Sue. I will think of you always.
