I am so sorry for our loss of Bob! Bob always came to work in a great mood and often brightened the day of his co-workers. He was everyone's brother or cousin haha. Oh, and the fist bumps and handshakes!!!! He had a gorilla grip and his fist bumps felt like he had brass knuckles on. I am so saddened he's gone but I've been blessed to have worked with him for the last nine years! He will be missed!
